

# JOINT STATUS REPORT

The Parties hereby submit a joint status report in accordance with the Court's Order of April 1, 2024. ECF No. 43. After conferring, the Parties seek a 60-day stay of all litigation deadlines to allow time for Defendants to decide whether to appeal the order vacating the Eastside Screens Amendment in *Greater Hells Canyon Council v. Wilkes*, 2:22-cv-00859-HL, and whether to proceed with any portion of the South Warner Project, which Plaintiffs challenge here. The Parties will need to take these decisions into account when planning the course of the remainder of this case. Accordingly, the Parties ask for a joint status report due date in 60 days wherein the Parties will apprise the Court of any relevant developments in the case and ask for an extension of the stay, a resumption of deadlines, or resolution of the case.

No Party will be prejudiced by the requested 60-day stay given that the Eastside Screens Amendment has been vacated, and the Forest Service will not implement the South Warner Project during the stay. The requested stay may also be a resource-saving measure if the Parties are able to resolve the case without further litigation.

Respectfully submitted this 22nd day of April, 2024.
